IN MEMORIAM
Bergman — In memory of Walter Bergman who died March 24, 1961.
God gave us a wonderful husband and father,
One of the world's very best,
And when on earth his work was done,
God called him home to rest.

Before our eyes he faded,
Growing weaker day by day,
Patiently bearing his suffering
Until God took him away.

We saw him slowly leave us,
And helplessly we stood by,
And drained the cup of bitter grief
The day we lost him.

Oft to our hearts comes a
bitter cry,
Why, oh why, did he die?
Then comes the answer, soft
and sweet,
He is not dead, he is just asleep.

May we live and serve our Master,
Walk the straight and narrow way,
So when life on earth is ended,
We will meet in Heaven some sweet day.

Sadly missed by wife
and daughters

IN MEMORIAM

## OF INTEREST TO VETERANS

William L. Keesu, Area Director, Division of War Veterans' Claims, announced that the new pension law did not wipe out the old pension program for those who were under it on June 30, 1960, but it did offer a choice of remaining under the old program, or switching to the new. Veterans applying now have no choice but must go under the new law. Contrary to popular belief, there is no charge in the basic requirements. Under either law a veteran must have had a minimum 90 days active wartime service, be discharged for a disability incurred line of duty; he must be permanently incapable of following substantially gainful employment because of physical or mental disability; and his income may not exceed certain limits gauged to dependency situation.
There are some veterans who may be eligible for a pension who have seem entirely clear about the difference between pension and compensation. Compensation is a payment because of a disability connected with veteran's military service. Pension is paid to a veteran on account of disability not connected with military service, which causes the veteran to be unemployable. Income has little or no bearing on compensation but income is an important factor in eligibility for pensions.
Kerns is at the Appomattox County Court House on the second and fourth Tuesday of each month from 10:00 a.m. to 3:00 p.m. to assist veterans and their eligible dependents in filing claims with the Veterans Administration.

Subscription rate: $2.00 payable in advance.

# RAD Committee To Be Elected

Last Friday evening, 40 citizens met at the Elementary School to hear discussed how a county Rural Areas Committee functions, and receive some recently collected information on Appomattox County.

The concensus of opinion was that there were problems and that the RAD approach should be given opportunity to solve them.

RAD is simply an attempt to fully develope the county's economic and human resources.

Although the Extension Service has been asked to present this approach to the people, it is not an Extension Program. This is the people's program, a program wherein the people take an objective look at their problems, define them, and then take the necessary action to correct them.

George Abbitt, temporary chairman, was asked to appoint a nominating committee who would elect the County RAD Committee. This group is to be confirmed at the next meeting on April 17th.

# Dean of Local Ministers Ends His Pastorate

Appomattox is losing the "dean of ministers" in the county, as Dr. W. Twyman Williams retires. Dr. Williams came here in 1948., after a successful career in his Presbyterion denomination, and he now retires to Lexington, Va. He will preach at Walker's Church: Hixburg this Sunday, and it is hoped that he will visit Appomattox often. He is held in high esteem by all people of this area. A scholar and historian, he won countless friends here, and the respect of all.

At beginning of pastorate in September 1948 there were 92 on the roll of the Appomattox Court House Church, 25 on the Stonewall roll, and 22 on the Walker's roll. At the end of the pastorate in December 1961, the Court House Church had 131 members (115 resident), Stonewall Church had 31 members (21 resident), and Walker's Church had 88 members (73 resident).

During the pastorate 55 were added to the membership of the Court House Church on confession of faith and 93 by transfer from other churches, a total of 148. Losses by death and removal from Appomattox were unusually heavy, 31 deaths and 100 members lost by removal, exactly the number of the present membership.

DR. TWYMAN WILLIAMS
